BRIGHTPATH TECHNOLOGIES

Full Stack Developer

Own features end-to-end, from database to user interface.

Department:	Engineering	**Location:**	Remote / Hybrid
Employment Type:	Full-Time	**Experience Level:**	2-5 Years

Role Summary

We're looking for a versatile Full Stack Developer who can move seamlessly between frontend and backend work. You'll design and ship complete features - from database schema and API design to the interactive UI customers see - as part of a small, high-ownership team.

Key Responsibilities

- Design and build end-to-end features spanning frontend, backend, and database layers.
- Develop responsive UIs with React/TypeScript and robust APIs with Node.js/Python.
- Design and maintain database schemas and write efficient queries.
- Write automated tests across the stack and participate in code reviews.
- Deploy and monitor services using CI/CD pipelines and cloud infrastructure.
- Collaborate directly with product and design to scope and ship features quickly.
- Debug and resolve issues across the full technology stack.

Required Qualifications

- 2+ years of experience building both frontend and backend applications.
- Proficiency in JavaScript/TypeScript and at least one backend language (Node.js, Python, Java).
- Experience with a modern frontend framework (React, Vue, or Angular).
- Working knowledge of relational databases and API design (REST/GraphQL).
- Comfort with Git-based workflows and collaborative development.

Preferred Qualifications

- Experience with cloud platforms (AWS/GCP/Azure) and Docker.
- Familiarity with serverless architectures.
- Exposure to testing frameworks (Jest, Cypress, Pytest).
- Startup or small-team experience with high ownership of features.

Skills Required

• JavaScript	• TypeScript	• React
• Node.js	• Python	• Java
• SQL	• REST APIs	• GraphQL
• Git	• Docker	• AWS/GCP/Azure
• MongoDB	• PostgreSQL	• Jest
• CI/CD	• HTML/CSS	• Redis

What We Offer

- Competitive salary and equity package.
- Flexible remote/hybrid work arrangement.
- Health, dental, and vision insurance.
- Annual learning and development stipend.
- Generous paid time off.

To apply, submit your resume and portfolio/GitHub (if applicable) to careers@brightpathtech.example. BrightPath Technologies is an equal opportunity employer.
